## Home Invasion Suspects Still At Large In Oakland/Piedmont

BY JAY BARMANN IN NEWS ON APR 5, 2012 1:48 PM

A home invasion robbery early Sunday in a home on the Piedmont-edge stretch of Park Boulevard has left four people shaken, and without a few wallets, iPads and iPhones. Two masked men broke down the door of the home at 4800 Park Boulevard where four adult residents were sleeping upstairs, at around 4 a.m. One armed man ordered everyone on the ground with a gun, and the other stole their wallets, IDs, a laptop, and some other items.

Police estimate the robbers were there about ten minutes, and the occupants called in the crime at 4:11 a.m., after they left.
